* Friendship City. "Although Friendship Cities and Sister Cities have different names, they're actually quite similar. A Friendship City relationship is a formal one and receives the same attention as a Sister City relationship, but it is not considered a permanent relationship. . . yet. The Friendship City relationship often leads to a Sister City one."

Denver Sister Cities International. (2023). *Akureyri, Iceland*. <https://www.denversistercities.org/akureyri-iceland/>
